HIS+DOM WEBSITE

For more information about this organization, refer to www.his-dom.org to learn about the ministry to orphans in eastern Europe and Russia. Thousands of orphans are in these former Soviet countries who live without hope or spiritual guidance for their lives. HIS+DOM has developed a ministry model using local churches to find Christian homes for orphans to be disciplined to follow Jesus, whether through adoption or fostering.

All teams should be registered by March 15, 2020. A registration form will be sent to each team captain to complete the names of all six players on a team. Contact Wayne Tomlinson at Waynet9855@comcast.net or 615-504-7336 for other information.
