

Loving Well while Social Distancing

- Clean out your closet and donate to GraceWorks or Thriftsmart
- Have kids draw pictures and write cards to send to elderly friends at Somerfield Retirement Home.
- Sit on your front porch or balcony and chat with your neighbors
- Individually reach out to the eight people you prayed for during Awaken to see how they are doing
- Send some old-fashioned snail mail to older friends and OC members: include notes and pictures for added fun!
- Spend time in prayer and meditation; loving yourself well is important too!

- Order pizza, cookies, etc. to be delivered to health care workers in nursing homes and hospitals.
- Donate to GraceWorks or 2nd Harvest Food Bank to help provide meals to kids and families that normally rely on free and reduced lunch.
- Give blood! Visit redcrossblood.org, sponsor code: ottercreek
- Pay for someone else's meal in the drive-through line.
- Write thank you notes to send to our OC medical people and surprise them with positive snail mail
- Leave a thank you note with candy - M&M's since they travel miles and miles :) - in your mailbox for your mail carrier
- Donate extra toilet paper and cleaning supplies to Agape's Domestic Violence Shelter
