

Making Memories with Mom

TENNESSEE PRISON OUTREACH MINISTRY:

"Reuniting the returning citizen with God, family, and community."

Tennessee Prison Outreach Ministry is the **first** statewide ministry that offers programming for the incarcerated, returning citizens, and children of the incarcerated. Tennessee Prison Outreach Ministry is holistic, addressing the spiritual, emotional, social, and economic needs of those impacted by incarceration.

Making Memories with Mom Event is an opportunity for women at the local prison and their children to enjoy an afternoon together doing crafts, singing Christmas carols, and having their photo taken with Santa. At the end of this event, each child and mother receive their own special gift. This year we are partnering with local churches and businesses for donations and support. This event is only possible through generous donations from donors like you. Listed below are items we need your help with:

- | | | |
|----------------------------|--|------------------------|
| children's tooth brushes | children's toothpaste | tooth brush covers |
| bars of soap | body wash | gift sets |
