

Job Description

Position Title: Missional Discipleship Minister

Primary Responsibilities: Respecting Otter Creek's rich heritage in pursuing justice and mercy by reaching out to our community and beyond, the Missional Discipleship Minister engages and equips the OC membership in a life of missional living. The Missional Discipleship Minister serves as the liaison to local partnership ministries, cultivating a cooperative relationship.

Reports To: Executive Minister

Responsibilities and Duties:

- Serves as the leader and point of contact for missional ministry to our Nashville community. Strengthens strategic alliances with churches and para-church organizations. Supports and encourages our local ministry partners.
- Supports the vision and structure of OC to involve members in missional efforts based on OC's culture and leadership's desire. Works closely with other ministers/ministries to connect membership with service and outreach opportunities in our local community.
- Develops, implements, and oversees a missional strategy for the church. Engages and utilizes a leadership team to advise and gauge missional opportunities. Provides theological underpinnings of missional living for the church.
- May lead temporary committees and teams for missional activity efforts.
- Creates and promotes discipling opportunities to help connect with people outside of any church community in a culturally relevant way.
- Assists with research and evaluation of potential new outreach avenues. May serve as point person for groups and subcommittees exploring new local missional opportunities.
- Increases the visibility of OC's local mission efforts.
- Works with MCC to raise up and develop ministry leaders.
- Directs the allocation of the Missional Discipleship budget.
- Serves as the point person and responds to calls for benevolence assistance.
- Participates in an intentional discipleship processes to help Christians mature in Christ.
- Performs general ministerial duties when necessary. Participates with ministry team in ministry meetings and team efforts.

Desired Attributes:

- Jesus follower and passionate about helping the local church grow in service and discipleship.
- Demonstrated ability in meeting position's responsibilities.
- Experience helping a large church manage various missional efforts.
- Some formal theological training. Master's degree preferred.
